

## *Extract from Give Light – Women in Islam*

It took six days for God to create all of the heavens the Earth and everything in them God created light and saw that it was good. He created the earth and the Seas and saw that it was good then he brought forth the vegetation and saw that it was good he followed this up by creating the lights in the heavens the stars and saw that it was good after that came every living creature and God saw that it was good. Finally God said let us make man in our image but there was something wrong you see. Everything God created he deemed to be good except for one thing that he said was not good God said it is not good that man should be alone, I will make him a helper comparable to him.

What was the solution to the only thing that God said was not good - **Woman**.

From the very beginning Christianity teaches us the indispensable value of women without woman God's creation is simply incomplete how does this compare to the teachings of Islam when it comes to women for all of the women and mothers out there this one is for you.

Many imams preach that Islam promote equality and opportunity when it comes to the value of women, it's incredible how these teachers get away with saying whatever they want all thanks to the sheer power of ignorance but one thing that no Muslim can get away from is what the Islamic sources actually have to say regarding women.

The prophet said isn't the witness of a woman equal to half of that of a man the women said yes he said this is because of the deficiency of a woman's mind "*O women folk you should give charity and ask much forgiveness for I saw you in bulk amongst the Dwellers of Hell.* A wise lady among them said why is it messenger of Allah that our folk is in bulk in Hell? Upon this the prophet observed you curse too much and you are ungrateful to your spouses I have seen none lacking in common sense and failing in religion but at the same time robbing the wisdom of the wise beside you. Upon this the woman remarked what is wrong with our common sense and with religion. The prophet observed your lack of Common Sense can be well judged from the *fact that the evidence of two women is equal to one man that is a proof of the lack of Common Sense.*

Muhammad claims that the testimony of a woman is half that of a man - why is that the case, because a woman's mind is deficient in common sense and reasoning; but notice that Muhammad also uses this same argument to justify that the majority of people who will be in hell are women a wise lady asked Muhammad why the bulk of of people in hell will be women and his response was to say that it is because women lack Common Sense.

The wise lady then asked Muhammad what evidence he has for women lacking common sense and Muhammad simply tells her that the testimony of two women is equal to the testimony of one man. - that's his evidence!

Muhammad

Why is Hell full of women? -

Because they lack Common Sense.

How do you know they lack common sense?

Because their testimony is half that of a man's

Why is their testimony half that of a man's.

Because they lack Common Sense

Okay but how do you know they lack common sense?

Because their testimony is half that of a man's.

This is what we call circular reasoning. Or in Muhammad's case circular stupidity.

I saw a paradise and stretched my hands towards a bunch of its fruits and had I taken it you would have eaten from it as long as the world remains.

I also saw the Hellfire and I had never seen such a horrible sight I saw that most of the inhabitants were women - the people asked

Oh Allah's messenger why is it so?

The prophet replied because of their ungratefulness it was asked whether they are ungrateful to Allah the prophet said they are ungrateful to their Companions of Life, their husbands, and ungrateful to Good Deeds

Once again we find Muhammad preaching the same message about hell being full of mostly women this time though he has a different reasoning when asked why hell is mainly occupied by women. Muhammad states that it is because women are naturally ungrateful to their husbands and lacking in other good deeds.

If that's the case I have to ask how can a woman show gratitude towards her husband. In Islam men are the maintainers of women because Allah has made some of them to excel others and because they spend out of their poverty.

The good women are therefore obedient guarding the Unseen as Allah has guarded. And as to those whose part you fear desertion - admonish them and leave them alone

in the sleeping places and beat them. Then if they obey you, do not seek away against them. According to Allah women are to be fully under the control of their husbands if a woman disobeys her husband in any regard she is first to be warned if she doesn't comply with her husband's every demand the husband is instructed to have her sleep in a separate room and beat her until she becomes fully compliant.

Now we already know what Muslim apologists are going to say that verse is poorly translated the word beat should not be used there interesting because the Arabic word used in this verse is we say in Kubeli all the verses in the Quran that use the word in the context against another human being are understood to mean beat or strike having grown up in a country where women are regularly abused. I'm very familiar with the phrase meaning I am now going to give you a beating how else can a woman show gratitude to her husband.

In Islam your wives are a tilth for you so go into your tilth when you like a tilth is a patch of ground that you plow, no pun intended, so you can sow your seed.

Oh man why would Allah choose to describe women in such an objectifying manner listen to this story; There was a tribe of the Quraysh who used to uncover their women completely and seek pleasure with them from in front and behind and laying them on their backs when the immigrants came to Medina. A man married a woman of the Ansar he began to do the same kind of action with her but she disliked it and said to him we are approached only on one side i.e. lying on the back do it so otherwise keep away from me this matter.

of theirs spread widely and it reached the messenger of Allah so a law the exalted sent down the Quranic verse your wives are a tilth to you so come to your tilth however you will a Muslim man married a woman and she wasn't comfortable with the way he tried to have sex with her so much so that she told him to stay away from her.

When news of this reached Muhammad Allah miraculously sent the verse that says women are a tilth to their husbands and that they can be used however their man wishes to use them. Oh but it gets worse not only can a husband use his wife however and whenever he pleases, he can also use other women.

Successful indeed are the Believers those who humble themselves in prayer those who avoid idle talk those who pay alms tax those who guard their Chastity except with their wives or those who they have possessed with their right hands. Also forbidden are married women except female captives in your possession, this is Allah's command to you.

Muslim men are expected to refrain from sex unless it's with their wives and the females they have captured in Conquest. Just like the verse we read about wives being a tilth

for their husbands this verse also has an identical back story reported that at the Battle of Hanain Allah's messenger sent an army to Altus and encountered the enemy and fought with them. Having overcome them and taken them captives the companions of Allah's messenger seemed to refrain from having intercourse with the captive women because of their husbands being polytheists then Allah most high sent down regarding that and women already married except those whom your right hands possess.

### **Welcome to Islam ladies where rape is considered sacred.**

Islam does a perfect job of summing up women in the most degrading way possible, according to Allah women are stupid, they should be beaten by their husbands until they're completely subdued. They are allowed to be raped and will eventually make up the majority of people in hell.

Compare this to men and women both being created in the image of God there is neither Jew nor Greek there is neither slave nor free there is neither male nor female for you are all one in Christ Jesus. Husbands likewise dwell with them with understanding giving honor to the wife as to the weaker vessel and as being heirs together of the grace of life that your prayers may not be hindered.

Husbands love your wives and do not be harsh with them. Husbands love your wives just as Christ loved the church and gave himself up for her.

Oh and for you Muslims who like to pretend to be experts in the Bible don't even try to bring up the Old Testament regarding women there are entire books such as Ruth and Esther and entire chapters within books such as Proverbs 31 dedicated to women of Valor

Happy Mother's Day to all of my wonderful female followers Christ bless you and until next time
